Your call may be monitored or recorded for quality assurance purposes. Hi. You've reached the Bachman residence. We are unavailable to come to the phone right now, but if you leave a message we'll get back to you. Hi. Good evening. This message is for Marla Bachman. This is Chris at Benefits and A Card. Uh, you and I just spoke not too long ago on the phone, uh, regarding your information being erroneously entered into our system under, under a staffing company that you do not work with. Um, I've just got confirmation that your information has been deleted out of our system. I have attempted to search your name and it does not show up at all, so I can confirm that has been done. As we had discussed and as we had, uh, agreed upon, I am also going to be getting rid of my note with your phone number on it, meaning that we will no longer have any sort of record of your information at all. Uh, so, you are good to go. Your information is no longer in our system. Thank you and have a wonderful day.
