Your call may be monitored or recorded for- Please leave your message for 414-213-3153. Good afternoon, my name is Francesca from Benefits in a Card calling to speak with Mr. Marquez on behalf of Partners Personal. We are calling about the text message which you received yesterday to which you responded and that's how it is. They are notifying you that you are currently eligible to enroll in medical insurance that their temporary agency, Partners Personal, offers. To enroll, you would have to call us back and tell us which plans you want to be enrolled. The way the plans would work would be that it is deducted from your check before the check is delivered to you. You would have thirty days after your first check to be able to enroll in health insurance if you wish. In case you are interested, we are open 8 AM to 8 PM Eastern Time. Have a nice day.
