... to voicemail. Your call may be monitored or recorded for quality assurance purposes. The person you're trying to reach is not available. At the tone, please record your message. When you have finished recording, you may hang up. Good afternoon. My name is Francesca. As benefit to know, caller, like a distinct industry mostly on behalf of BJ Assisting. We're giving you a call today regarding the enrollment form that you filled out during May 6th, 2022 in which you requested to be enrolled into benefits, but also selected to be opted out of them. For the time being, since we were unable to confirm with you if you were trying to enroll or if a system error happened, we'll go ahead and process your enrollment as a declination. In the event that you did in fact want to be enrolled into any other benefit plans, please give us a call back at 800-497-4856. Keep in mind that you have 30 days after your very first paycheck to make any policy changes or enrollments. Have a wonderful rest of your day, and thank you for listening to my message.
