Welcome to Lyca mobile voice mail system. Your call has been forwarded to an automated voice message system. At the tone, please record your message. When you are finished recording, you may hang up or press one for more options. Good afternoon. My name is Francesca with BNFS&L. I am calling to speak with Ms. Urbiza Gategis on behalf of Partners Personal. We are responding to the text message that you received today that you asked what it is. It's about your personal period of registration, where you could register for the health insurance that Partners Personal is offering for their employees. You would have 30 days after your first check to be able to do that registration, which would be the 26th of this-- the 24th, excuse me, of this month, the last day on which you could register for the health insurance that they offer. After then, you would have to wait until next year, October, to be able to register. That you have a very good day. Thank you very much for your time and for listening to this message. If you wish to call back, we are available from 8 AM to 8 PM Eastern Time. The best communication number would be 800-497-4856. Thank you.
