I'm calling to speak with Mr. Dry on behalf of America's Staff Corp regarding the pending enrollment that was processed yesterday, February 4th. Your request is to have the plan for your ex-membership for yourself and family. However, so you didn't provide your family's first and last names for that policy. For the moment, the policy will be switched over to employee only. In the event that you would still like to go ahead and add your family to the policy, keep in mind that you have your open enrollment period, which does have an end date. As of right now, the last day that you'll be able to enroll into coverage for your family into that plan is going to be March 2nd, 2025. I do hope you have a wonderful rest of your day. Thank you for your time as well as for listening to this message.
