My name is Francesca ■benifetena Kargh, giving you a call on behalf of your staffing company, *fe* Beukels Workforce Management. We were called in regards to the enrollment request for benefits for yourself and child. Unfortunately, you did not provide the children's information for the policy. A policy for your dependent without their information will be a policy your dependent will be unable to utilize and you cannot claim reimbursement for it. For the time being, we'll switch your policy over to employee-only. In the event that you would still like to go ahead and add the children to the policy, please give us a callback at 800-497-4856 so we can go ahead and do so. Keeping in mind, you do have to be eligible in order to make such changes once you start working. You're going to have 30 days after your first paycheck to make those type of services, corrections, and changes. I hope you have a wonderful rest of your day. Thank you for your time as well as for listening to this message.
