Your call may be monitored- Hello. ... or recorded for quality assurance purposes. Oh my god, this is a voicemail. Good afternoon, this is Francesca... Good afternoon, this is Francesca with Benefit Center Card giving a call to speak with Mr. Taylors on behalf of MAU Staffing. We're giving you a call in regards to the enrollment form that you had filled out during January 29, 2024 for health insurance. With MAU Staffing, you self-selected all of our offer plans. Within those selections, you selected both Ensure Plus plans and both MEC plans. You cannot be enrolled into both. For the moment, we're going to go ahead and enroll you into the lowest costing for both of those plans. There is also the issue that you did not place a beneficiary for the life insurance that you selected to be enrolled into. For the moment, it will be left with blank. In the event that you would like to make any changes to this current policy, feel free to give us a call back at 800-497-4856, keeping in mind that you have 30 days from your first paycheck to be able to make any changes to the policies, as well as the fact that both medical, the dental, the vision, as well as the MEC Enhancement and the Ensure Plus, which will be the fourth plan that you'll be enrolled into, that will be under the 125 which the IRS regulates. That means that all of those four plans are going to be pre-taxed tax-free. Due to the fact that they are tax-free, the IRS has regulations where you cannot make changes, cancellations to those plans unless you're in an open enrollment period or have a qualified life event. Please keep those in mind. As of right now, thank you for listening to this message.
