Hello. Your call may be monitored or recorded for quality assurance purposes. Good afternoon. My name is Francesca ... benefit in a car looking to speak with Ms. Fentadia on behalf of Hospitality Staffing Solutions. Yes. Is this work? We're the company that administers the health insurance Hospitality Staffing Solutions offers, and we're calling specifically about the form you filled out February 12, 2025, where you were selecting plans but also chose to opt out. We're just calling to confirm your election. Oh, no, it's okay. Y- you were declining the coverage? Uh, yeah. Understood. I'll make a note of it then. Hospitality Staffing Solutions should be reaching out to you once they have an assignment, if they haven't already, okay? Okay. And that takes about how long would you say? Like, do you know? So we're not too sure 'cause we only handle the insurance itself or third party that they contract for it. But we're not sure as far as the employment process, unfortunately. Oh, okay. All right. Thank you. My pleasure. Have a great day. Thank you, daddy.
