We're calling about the application for medical insurance, which you had filled out. On January 22, where you had selected several health insurance plans, but you also selected that you did not want to enroll in health insurance. Um, we have to check if it was a system failure or if you effectively decided at that moment not to be enrolled in health insurance. At that moment, given that we could not communicate with you, then we will make an estimation. If you are still interested in enrolling in health insurance, please give us a call back at 800-497-4856.
