Good afternoon, Mr. Santo Mejia. My name is Francesca with Benefits in a Call. We are giving a call about the text message that you received, which you responded to at 12:00 AM. If you could decide what the benefits were about and provide this information. The message is notifying you that today is the last day of the company's open period of temporary agency, ADEPHR, during which you are eligible to enroll in the health insurance that they offer if you are interested. The plans are health insurance PPOs which are being charged individually. None come in a package depending on how many plans, as well as if you are going to put a dependent person, it would depend on how much a policy would come out with their temporary agency. Given that we could not talk to you today, we would be sending a copy of the benefit guide to your email address, which is econtreras@adepthr.com, taking into account that today at 8:00 PM Eastern time, it would be the last time you could enroll in health insurance. I hope you have a very good day. Thank you for your time and listening to my message.
