Your call may be monitored or recorded for quality assurance purposes. Please leave your message for 484-4523. Good afternoon, Ms. Crowley. My name is Francesca Bobeno. I've been giving you a call on behalf of your staffing company, TFC Staffing. We're giving you a call today regarding your form from May 7, 2025th, in which you selected to be enrolled into coverage for yourself and your spouse. However, you did not provide a spouse information. For the time being, we're gonna process your enrollment into employee only without any dependents due to the fact that our policy for a dependent which information is not provided will result in being a policy which your dependent is not able to utilize and you are not able to request a reimbursement on. I hope you have a wonderful rest of your day. Thank you for your time today as well as for listening to this message. And keep in mind that any policy changes need to be done within an open enrollment period to qualify live event. Once you start working and receive that first paycheck, you have 30 days from that first paycheck to do any policy changes.
