Your call may be monitored or recorded for quality assurance purposes. Good afternoon, my name is Francesca of Benefits in a Cart, calling to speak with Mr. Romero on behalf of Hamilton Rikers. We're giving you a call today in regards to the enrollment form for health insurance that you had filled out on January 15th, 2025. You have left the form blank, sir, so we were calling to see if you were still interested in enrolling into the health coverage that your staffing company offers. For today, due to the fact that we were unable to reach you, we will be processing a declination. In the event that you would still like to be enrolled into the health coverage, please leave a call back at the 800-497-4856, keeping in mind that once you start working, you'll have 30 days after that first paycheck to be eligible for the enrollment. I do hope you have a wonderful rest of your time. Thank you so much for your time today as well as for listening to my message.
