Hello. Your call may be monitored or recorded for quality assurance purposes. Good afternoon. May I speak with Jeremiah Micus? Yes, sir. Awesome. This is Justin from Benefits and a Card calling on behalf of MAU. How are you doing today? I'm good. Awesome. Uh, just to let you know, this call is being recorded for training and quality assurance purposes. However, we received an enrollment form dated October 31st from MAU letting us know you wanted to be enrolled into their health insurance. However, when you submitted- No. I- I have... No. I said I hadn't looked at it. I didn't even work with them anyway. Okay. Like, they said I quit or something because I didn't like the job. Totally understand, but- I'm not even with them- I mean, I'm not even with them anymore, so... Okay. Um... All right. Thank you. Anyways, did you want... Oh.
