Hey, um, I, I was, um, working, uh, at, uh, through, through the, uh, Surge Staffing Agency. Um, I was working at Glovis. I was working there for about a little over a month, and, um, when, uh, when, when the Glovis job was up, um, uh, within a couple days, uh, they had sent me to, uh, Saywan. And, uh, and Saywan had let me go after a couple of days or whatever, so I'm... And I'm not, I'm not really, like, sure of the reason. They didn't really have a valid reason, and, um, you know, and, and so since then, um, I've been having like a li- a, a little trouble trying to find, uh, trying to find employment, you know what I'm saying? Trying to find work, but there haven't been any jobs available. And it seems like the only jobs available are Glovis and Saywan. You know what I'm saying? So, and, um, I'm just, uh, you know, calling to see how I should go about that because, um, you know, I want work, you know? I understand, but unfortunately, um- Uh-huh. ... you're calling the, the wrong number. We only administrate the health insurance for staffing agency. We don't have anything to do- Oh, okay. Okay. ... when it comes to the job. Okay, so who... You know who I'll call? W- well, you know, you got a number- No, sorry. ... I can call somewhere, you know? Okay. Yeah, okay. I appreciate you though. All right. Thank you. Appreciate you clearing that up. Have a very nice day, sir. You have a great day. Let me... I hope we can help you out. I, I appreciate you. You have a great day. Bye. Goodbye. You gonna hang up for real? Oh, I needed you to do so. Bye. No problem. It's okay. It's good. Yeah.
