Your call may be monitored or recorded for quality assurance purposes. Please leave your message for... Charles DuBois. Hi, good afternoon. This message is for Charles DuBois. This is Chris with Benefits in a Card returning a voicemail that was left with us early this morning, um, regarding a text message that you had received. Uh, we are a plan administrator for health insurance benefits for staffing companies, so any communication, uh, would be related to that. If you do not work for a staffing company, then it is possible that someone else accidentally put or somehow put down your phone number as theirs. Um, and if that is the case, then you can just reply "Stop" to any text message and you opt out of any further text communication. Um, if you are working through a staffing company and you do need assistance with any health insurance benefits as offered by them, feel free to give us a call back. We can be reached at 800-497-4856. We're open Monday through Friday, 8:00 AM to 8:00 PM Eastern. Thank you, and have a wonderful day.
