Your call may be monitored or recorded for quality assurance purposes. Thank you. All in Benefits on a card. This is Chris. How can I help you today? Hey, how you doing? I work for MAU. I was curious to see when their enrollment for health insurance was. I was told to call this number. Uh, MAU... Let me take a look. It does not look like they have explicitly stated exactly when their open enrollment begins. Okay. Um, we do know it, it typically starts in December though, so, uh, we just haven't gotten the exact date yet. Um, when they, when they've determined that, they should be able to, um, they shou- they should provide you with some sort of update or information or something, uh, either through maybe, like, a text message, an email or some signage up in their offices or something like that, but yeah. Right. Right now, we don't have, we don't have any information. Okay, cool. That works. I was just figuring I'd call and ask. All right then, anything else? Uh, no, that'd be it. All right. Thanks again for calling and have a good day. Thank you, sir. You too. All right. B- bye now.
