Good afternoon, I'm calling from Benefits in a Card on behalf of H&S;&F.; We're currently processing enrollment forms, and you've currently selected two plans that cannot be combined, which is the MEC Tele-RS and the MEC Enhance. Um, so you would be enrolled into the lowest one right now, which is the MEC Tele-RS for employee only. If you wish to change that, you're welcome to give us a call at 800-497-4856. Again, you will be enrolled in the lowest plan, which is the MEC Tele-RS. You also selected the VIP Standard for employee only, and the dental plan for employee and family. So, those two would stay the same, but for the MECs, you will be enrolled into the lowest level. Um, if you wish to change that, again, you're welcome to give us a call. We're open from 8:00 AM Eastern Time up until 8:00 PM. Thank you. Have a nice day.
