Welcome to voice monitor. Your call may be monitored, or recorded for quality assurance purposes. Three three six two five three five six four six. ... is not available. Please leave your message after the tone. After you have finished your message, just hang up. Or, to hear more options, please press one. Hey, good afternoon. I'm calling from Benefits in a Card on behalf of The Resource Company, Inc. I'm looking to speak with Mr. Christopher. We're currently processing enrollment forms, and you selected to be enrolled into a few plans with your child and family. However, we were missing the dependents' information, so due to that all these plans will be changed to employee only. If you still wish to add the child and your family to some of these plans, you're welcome to give us a call at 400-4856 to en- give us your dependents' information and enroll them into these healthcare benefits with you. But for now, we will change the selected plans to employee only, being the VIP Basic, \$15.50 a week; free RX virtual primary care, \$5.99 a week; dental for \$3.38; term life for \$2.95; vision for \$1.99; critical illness for \$2.58; group accident f- for \$1.86; the NBC TeleRx for \$15.65; behavioral health for \$1.38; and the ID expert for \$1.80, that being a weekly deduction of \$51.84. If you wish to make any changes or add your family to these selected plans, you're welcome to give us a call at 400-74856. You have 30 days from the day that you receive your first check to make these changes. We're open from 8:00 AM up until 8:00 PM Eastern Time. Again, for now you will be enrolled into these plans for employee only. Thank you. Have a nice day.
