Your call has been forwarded to voicemail. Your call may be monitored or recorded for quality assurance purposes. The person you're trying to reach is not available. At the tone, please record your message. When you have finished recording, you may hang up. Hey, good afternoon. I'm calling from Benefits Center Card on behalf of your staffing agency management and alliance invitation, AMAU. Um, we're currently processing an enrollment form that you filled out on March 13th for the healthcare benefits. You selected to be enrolled into the MEC TeleRx as well as the MEC Enhance. So these two are both medical plans that can't be combined. At the moment, you will be enrolled in the lowest level of coverage, which is the MEC stand-alone. So if you do wish to be added into the MEC Enhance instead, you're welcome to give us a call. You have 30 days from the day that you receive your first check to do so. Um, but for now, you will be enrolled in the lowest level of coverage, which is the MEC stand-alone for employee and child, as well as dental for employee and child, term life for employee only, vision for employee and child, critical illness for employee and child, group accident for employee only, and then the MEC stand-alone for employee and child. Um, if you have any questions, we're open from 8:00 AM up until 8:00 PM Monday through Friday.
