Your call may be monitored or recorded for quality assurance purposes. Sí. Okay. No , uh, really, eh... it was a mistake on my part because I didn't... like, I didn't know what it was about, and I'm looking for a job because I don't have a job at the moment. So, uh, that's exactly why. So, excuse me and, and thank you. Okay. One question, Mrs. Jorge. Would you like to then be disclaimed from auto-inscriptions if you get a job with Crown Services? Because in any other way, if they give you the job and you start working, they will automatically enroll you in the medical insurance plan preventively. Okay. Yes. Would you like me to disclaim it for you or would you like to automatically enroll you in that plan? No, please disclaim it for me, please. Okay, so I only need to verbally declare that you would like to disclaim auto-inscriptions with Crown Services today, correct? Yes, correct. Ok. I have already disclaimed it for you. This in no way will negatively affect them helping you to find a job, just as it does not mean that once you have the job, you cannot enroll, and once you are eligible, you can enroll in the insurance. Ok, thank you. Of course. I hope you have a good time. You too. Thank you. You're welcome. Bye.
