Your call was recorded for quality assurance purposes. Your call may be monitored or recorded for quality assurance purposes. You may hang up when you have finished recording. Good afternoon, my name is Francisca with Benefits in a Car, looking to speak with Mr. Quijano on behalf of Hospitality Staffing Solutions. We are calling about the health insurance registration form, which you had filled out during the month of February, February 6th, 2025, where he selected some medical plans and at the same time he also selected not to participate in these medical plans. We are calling to verify if you did want to register or if he was actually looking to decline registrations at the moment. For the moment, since we could not communicate with you, we would be processing a decline. In case you do want to be enrolled in health insurance, please give us a call back at 800-497-4856. We are open 8 AM to 8 PM Eastern Time, from Monday to Friday. I hope you have a very good day. Thank you very much for your time, as well as for listening to this message. Goodbye.
