Your call may be monitored or recorded for quality assurance purposes. Yo, what's up? Just kidding, motherfucker. Don't even waste your time with me again. Leave your number and I'll call you back. Peace, bitches. Good afternoon, Mr. My name is Francesca giving you a call on behalf of Integrity Trade Services. We showed that you tried to make an enrollment for group accident, critical illness and life insurance for yourself and family, however, you did not provide any other dependent's information. If the policy gets activated in your enrollment period ends once you start working, not only would your dependent not be able to utilize the policy, but also, you will not be able to claim any re- reimbursement for benefits that said dependents were not able to utilize and you were paying for. We're going to switch you over to employee only in the event that you did want to have those dependents enroll into your policy. Please make sure to give us a call back at 800-497-4856 open 8:00 AM to 8:00 PM Monday through Fridays Eastern time. I do hope you have a wonderful rest of your day. Thank you for your time in listening to this message, keeping in mind holidays of the 24th, 25th, 31st and 1st of 2025 will be closed.
