Your call may be monitored or recorded for quality assurance purposes. Good afternoon. My name is Francesca. I benefit in a car. I'm looking to speak with Mr. Singleterrier on behalf of the staffing company TRC. Yes. This is him. We were calling regarding an enrollment form that you filled out for coverage during March 7, 2025. You have selected to have critical illness for yourself and children, um, but didn't provide the children's information. So we're calling to see if that was an error or if you were trying to get the children's into a policy but forgot to add their information. Yes. That was an error. I have no children. Okay. Yeah. Did you want to find a health insurance for the moment with TRC staffing? Um... Yeah. Okay. Um, this is sir, so I'll go ahead and notate it into our system and then TRC staffing should be reaching out back to you if they haven't already once they have a job for you. All right. Thank you. Of course. It was my pleasure. Thank you for taking my call. Have a great day. All right. You too. Bye-bye. Bye.
