Your call has been forwarded to voicemail. Your call may be monitored or recorded for quality assurance purposes. The person you're trying to reach is not available. At the tone, please record your message. When you have finished recording, you may hang up. Good afternoon. My name is Francesca. I've been representing Accura giving a call to speak with Mr. Cole on behalf of MAU Staffing. We're calling regarding your form that you filled out April 25th, 2025 in which you selected both InterPlus plans as well as both Stay Healthy MEC plans. You cannot be enrolled into both of them. For the time being, since we were unable to speak with you to confirm your selections, we'll go ahead and process the enrollment for the lowest costing level of the InterPlus, which will be the basic, and for the lowest cost for the Stay Healthy, which will be the Stay Healthy standalone \$9.46 per paycheck. Your policy will come up to a total of \$36.49, keeping in mind that the medical and dental plans are under Section 125, which is an IRS regulation. Due to the fact that that plan will not be charged for taxes, you have the restrictions of not being able to make changes or cancellations unless you have an open enrollment period, a qualified life event. Keep in mind that you have 30 days once you start working and receive your first paycheck for any policy changes into this account. Hope you have a wonderful rest of your day. Thank you so much for listening to my message.
