But all of you people in this room, thanks to the directive of Donald Trump, are going to keep our safe... our streets safe and protect our kids. Thank you for being here. And Cammy's beautiful daughter, Kayla, was murdered violently by an illegal alien from El Salvador, who should not have been in our country. And thanks to Donald Trump, they will all be deported very soon, thanks to his poor Homeland Security. And I say the unsung hero, Stephen Miller. On stage, we have... This is 180 kilograms. It represents... Not real. Of fentanyl, okay? So this is one... This represents one kilo of fentanyl. In its..... 80 there in pure form could kill 90 million people. That is the population of California, Texas, and Florida. That's what we're dealing with in our country. That's why angel moms go around the country. That's why Donald Trump has taken such a hard stance against cartels, securing our borders, getting these gangs and drugs out of our country. But look at that, that can kill three states in its pure form. That should terrify everyone. I see our senators made it. Our senators, thank you. However, taking the drugs off the streets is only half the battle. President Trump will, has secured our borders and will continue to fight the cartels throughout this country, deport them all, or lock them up for the rest of th- their lives thanks to

our prosecutors around this country where they belong. Under the last administration, cartels, criminals, they freely walked in and out of our country. We don't do it. No longer. Under Donald Trump, they live in fear and they better live in fear because we're coming after all of them. I am so proud to have a team with Emil and Todd and all of our, all of our great team and we all work for the greatest president in the history of our country. We are so proud to work at the directive of Donald Trump. It is um- ever stop fighting for us and we will never stop fighting for him and for our country. It is an honor to welcome to the Department of Justice, the 45th and the 46th- .
