I, uh, I got some benefits from you guys and, uh, I just wanted to see what my dental covered, 'cause I h- I have an appointment for a, for a filling and then I'll go again for a cleaning. I was just curious of what it would cover. So, so dental, um, they cover 100% which is basic cleaning and checkup and x- x-ray. Then you have a 80% coverage after you've paid the \$50 deductible for a year, um, on filling and extraction. They do not cover any major surgeries. Yeah. It'll just be for a filling and, like, a, like, just a, like, a cleaning 'cause I'm gonna see a hygienist later. Okay. So if anything, I could transfer you to the actual carrier and they will be able to give you a better breakdown of what they cover. Okay, that'll be great. Appreciate it. Just bear with me.
