Your call has been forwarded to voicemail. Your call may be monitored or recorded for quality assurance purposes. The person you're trying to reach is not available. At the tone, please record your message. When you have finished recording, you may hang up. Hey, this message is for Eric. This is Victoria with Benefits and a Card. We administer medical insurance for Hospitality Staffing Solutions and we did receive a enrollment form that you signed and dated on the 1st of April. Um, it looks like on the form you did select a few different things to enroll into, but I'm calling specifically to verify what medical plan you're wanting, um, as you did select all the available options. Uh, since we're unsure what you want to enroll into, um, as of right now for the medical, we are just gonna enroll you into the MUC TeleRx as well as the VIP Standard, uh, for employee only and then of course the dental, short-term disability, term life, vision, critical illness, group accident, behavioral health, the ID/X Social Plus and the Virtual Primary Care benefit that you selected, uh, for employee only. If this is not exactly what you would like to enroll into, just give us a call back. Our phone number is 800-497-4856. Uh, we're open Monday through Friday, 8:00 AM to 8:00 PM Eastern Time. Thank you and have a wonderful day.
